

Frost Dk 7.3 Dmg

We take an alternative approach to standard character optimization class guides as we use purely leader board statistics to make recommendations. When Rime procs) Obliterate (If > 70 Runic Power) When fighting multiple targets, use the following priority list:—in real-time, you'll constantly be determining what to do and what's most important to focus on. Out of all abilities you have available, use the one highest up in the priority list.
